

REMARKS

In accordance with the foregoing, claim 41 has been amended to correct a misspelled word. Because this is a minor typographical error, it is believed that the Amendment is fully appropriate for entry at this after-allowance stage of prosecution.

If any formal matters remain after this response, the Examiner is requested to telephone the inventor's attorney.

If there are any underpayments or overpayments of fees associated with the filing of this Amendment, please charge and/or credit the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
